

*To provide operational users and the science community  
with the SST measured by the satellite constellation*

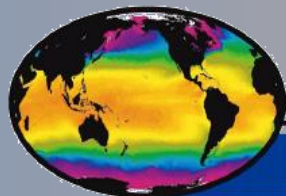

**GHRSSST XX:  
Wrap up**

*Anne O'Carroll*

*GHRSSST Science Team Chair*

*Karen Veal*

*GHRSSST Project Coordinator*

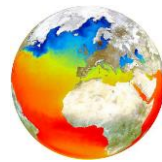

**GHRSSST**

*Group for High Resolution  
Sea Surface Temperature*

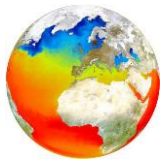

Committee on Earth Observation Satellites  
Sea Surface Temperature Virtual Constellation

# G-XX: We met in ESRIN, Frascati

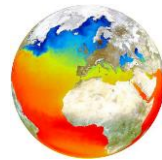

# G-XX: We worked hard

- 88 attendees
  - 4 days of plenary, interactive, 0.5 day of task teams, plus team building event
- We saw...
  - Many new faces
  - New results in PMW, Feature Resolution, Applications, Retrievals, In situ measurements, Diurnal Variability and CDRs
  - The vibrancy and enthusiasm of the community
- We discussed the future of GHRSSST
  - Strengths, weaknesses, opportunities and threats
- But we still have work to do...
  - Implementing the updated R/G TS
  - Task Teams

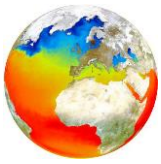

# ST Membership (1)

- Nominations for new members
  - Chongyuan Mao (nominated by Simon Good, seconded by Chris Merchant)
  - Pradeep Thapliyal ( Anne O'Carroll; Prasanjit Dash)
  - Huai-min Zhang (Viva Banzon; Anne O'Carroll)
  - Gary Corlett (Jacob Høyer; Stéphane Saux Picart)
- Re-election
  - Carol Anne Clayson, Chelle Gentemann, Lei Guan, Andy Harris, Jacob Høyer, Misako Kachi, Alexey Kaplan, Yukio Kurihara , Tim Liu, Yang Liu, Salvatore Marullo, Eileen Maturi, Peter Minnett, Kyung-Ae Park, Rosalia Santoleri, Stéphane Saux Picart, Dorina Surcel Colan, Igor Tomazic
  - No members are stepping down

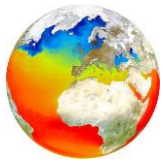

# ST Membership (2)

- Email poll will be set up in early July
- Current ST members to vote by end of July 2019
- All CVs to Silvia by 28<sup>th</sup> June 2019
  - Required for all nominees – even re-election

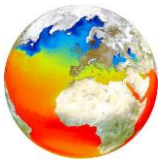

# Reminders

- All plenary and breakout reports: **By 28<sup>th</sup> June 2019 to Silvia**
- Please send a copy of your interactive presentation to Silvia by **28<sup>th</sup> June 2019**
- Abstracts – please submit them when the call is out
  - We have had excellent sessions this year so keep them coming!
- All presentations will go online
  - Please send us an edited version if there is something you do not want to be public yet

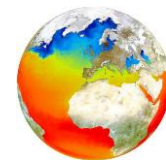

# Tasks

- All ST members to send a list of their papers that benefited from GHRSSST collaborations to the GPO
- Send any high-quality images to the GPO
- All ST members to notify the GPO of any forthcoming results/papers
  - For promotion activities (web/social media)

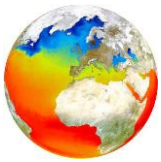

# Future meeting dates

- G-XXI
  - Location Boulder Colorado, USA, 1<sup>st</sup> – 4<sup>th</sup>/5<sup>th</sup> June 2020
  - Hosted by NASA and MISST
- G-XXII
  - Location TBC
  - Date either the week starting 31<sup>st</sup> May 2021 or 7<sup>th</sup> June 2021

# Thanks

- To ESA for hosting
  - Ulla Vayrynen and her team
- To the GHRSSST Project Office
  - Silvia Bragaglia-Pike
- To you all for coming and participating
- See you all in 2020!
